Brussels, 12 November 2025

Dear Mr. Đumlić,
Dear Hrvoje,

On behalf of the ECEC Executive Board, I would like to thank you very much for your participation in the ECEC General Assembly Meeting in Cyprus representing the Croatian Ministry of Physical Planning, Construction and State Assets, which was highly appreciated. Your presentation on the Croatian Physical Planning Information System and explanations on the digital transformation of public services in the construction sector as best practice examples from Croatia met with great interest from all participants and was for sure a highlight of our meeting. This was also reflected by the lively interaction and discussions on the topic.

In addition, many thanks for your consent to share the presentation with all participants.

We will be happy to share our official report from the meeting once ready.

Kind regards,

Nina Drazin Lovrec
President of the European Council of Engineers Chambers
